

DIGITAL DISPLAY NOTICE BOARD

One of the best ways GSM Mahavidyalaya got a technology boost was by equipping it with a Digital Notice Board. The digital display put up at a vantage point is used for a range of applications like announcements, circulars about holidays, student scholarship, library notices, routine, exam allotment room notice etc

Besides offering a dynamic learning environment the Digital Notice Board offers great benefits like-

- **Visually Engaging and Dynamic Content**
- **Energy-Efficient Solutions**
- **Real-Time Updates**
- **Emergency Notifications**
- **Broadcasting Student Work and Achievements**
- **Announcements and Notices**
- **Classroom Instruction**
- **Maps**
